

REMARKS

Amendment to the Specification

The paragraph on page 29, lines 16-18 has been amended to refer to Figure 34. The description in the paragraph on page 29, lines 16-18 is the description of Figure 34, which refers to a greyscale graph. Due to a typographical error, the paragraph on page 29, lines 16-18 of the specification was mislabeled as the description of Figure 33, instead of Figure 34. However, the description of Figure 33 is the paragraph on page 29, lines 4-15. Thus, the amendment to the paragraph on page 29, lines 16-18 merely corrects the typographical error. No new matter has been added by way of this amendment.

Should the Commissioner believe that a discussion of this matter would be helpful, the Commissioner is invited to telephone the undersigned at (312) 913-0001.

Respectfully submitted,
